Kemah Residents

Garbage, Recycle & Tree Limb Service

Dear Kemah Resident,

The City of Kemah is sending this notification to inform you of an upcoming change to your trash collection service charges and billing.

Until now, the city has absorbed the charge for trash collection however, after careful evaluation of finances, we have determined the City will pass these costs on to our residents through direct billing from our Solid Waste provider AmeriWaste.

Beginning in September, the cost for trash collection will be reflected as a quarterly bill from AmeriWaste. Each household's bill will be a charge of \$55.35 + tax for waste removal services.

Although we understand this change may be an inconvenience for some, it allows us to redirect monies toward improving community services including parks, public works, and the police department.

In the past, city public works crews picked up heavy trash, large debris, and green waste on Thursdays. Moving forward, these services will transition to AmeriWaste. Please see the attached flyer and sample AmeriWaste bill.

Thank you for your cooperation in implementing this fee change. The City will now be able to provide higher-quality community services, maintain a safer and more secure environment, and ensure the continued wellness of our beloved community members.

Sincerely,

Aaron Smith
